Subject: Gold King Mine Spill FOIA's
FW: GMK FOIA Follow-up

Leticia,

Derek informed us that there was a meeting that Derek and possibly Regional FOIA coordinators were on with regards to Gold King Mine spill. (I have attached a copy of email forwarded to me from Derek)

After Derek's review he indicated that only three (3) of the FOIA's listed on this list would be Region 6, Superfund, they are 9756, 9779, AND 9852, can you send us advance copies of those FOIA's as they have not been assigned to us yet. Thanks in advance.

Very respectfully,

Dwayne Patrick
